President's Message: Photo by Larry Pullen

Our national Exchange Mission Statement reads "Exchange is a group of men and women working to make America a better place to live through one national project, the Prevention of Child Abuse, and other community service projects." Exchangites across the USA work toward that mission every day of the year. But we also remember America's children in other ways; educational assistance, Walk With Pride, recognition of outstanding students, and social projects like the Sunshine Specials. In the holiday season we demonstrate to thousands of needy children in our community that there is love and caring for each and every one of them. Children have needs – food, clothing, housing, physical care, education, but most of all love.

Organizations across America "show them the love" by gathering and distributing toys and gifts to needy children. But in 1995 our Club decided on a different approach to distributing the gifts. The traditional "go door to door with baskets of gifts and food" has the unintended effect of embarrassing the parents – someone else is providing for their children, someone else is picking out their gifts, someone else is in the middle of their relationship with their children. So the concept of allowing the parents and caregivers to pick out and actually give the toys

and gifts was brought into our Club's holiday efforts.

In 1995 the first ECSL Santa's Exchange was held, located in a dusty, unheated warehouse off Old Richmond Rd. The event, co-chaired by **Janice Chambers and Richard Early** was a big success, despite some challenges in finding the facility, organizing a new event, and an exploding space heater. It's rumored that even in the unheated warehouse Richard refused to wear a Santa's hat. That first Santa's Exchange stretched an entire weekend, Friday through Sunday, and stretched the volunteers; but as Richard says "the Club members rolled up their sleeves and went to work". In the years since 1996 the event has moved several times and grown several times as large, with the **Sugar Land Rotary, the Fort Bend Exchange Club and FBISD** joining in the effort. But as the event has grown the need for volunteers and gifts and contributions has grown. So please mark your calendars for December 12<sup>th</sup> through 17<sup>th</sup> for toy sorting, preparation, and the event itself. **Amy Mitchell and Jake Messinger** are chairing the event and will be signing up volunteers in a range of capacities – there are even a chosen few who get to shop! And if you have a business or organization that would like to contribute cash (best), supplies, or toys and gifts just let us know. And one final thing, if you have not heard Linda Schoonmaker's instructions on volunteer refreshments be sure to attend December 14<sup>th</sup> breakfast!

So have a safe and happy holiday season and let's gather together to help make a happy holiday for children in our community. Let's get involved.....let's get hands on! **Norma**

Co-chairs **Amy Mitchell** and **Jake Messinger** would like every member to bring a new unwrapped toy to ECSL breakfast meetings on December 7 and 14. If you would like to make a monetary contribution email [rpk@fittsroberts.com](mailto:rpk@fittsroberts.com), KWB (Kay will bill!) Boxes are still available for your business or church.

Members of the Exchange Club of Sugar Land, Sugar Land Rotary, Ft. Bend Exchange and FBISD need your help in collecting the thousands of toys needed for this year's event. We not only are going to be providing toys to the over 3000 Fort Bend children we usually serve, this year we also will be trying to address the needs of the Katrina and Rita victims who are presently enrolled in FBISD.

If you have taken a collection box to a Fort Bend ISD school, please collect toys at least once a week, and give the school your contact information so they can call you when the box needs to be emptied. All toys and boxes need to be picked up from the schools on or before December 13, 2005.

Toys can be dropped off at the First Colony Mall service center or First Colony Self Storage at Lexington and Sweetwater Blvd.

You can start bringing toys the to First Colony Church of Christ on December 12, 2005 which is when we will begin sorting and tagging.

**Sorting and Tagging:** 6-9 p.m.

We had a very well attended luncheon on November 9, 2005 honoring our Veterans.

Wounded soldiers from **IMPACT PLAYERS** were our special guests. Many thanks **Naren Patel** for chairing a wonderful event and treating the soldiers to dinner and hotel rooms.

Many were brought to tears when Sgt. Michael Pellum spoke about the sacrifices made by our men and women in the service.

YOU MIGHT BE AN EXCHANGITE IF...  
by Stewart Jacobson

If you think there's nothing wrong with getting a massage from a flamenco dancer...you might be an Exchangite.

If they couldn't fly the flag in your platoon or on your ship because you cried every time you saw it...you might be an Exchangite.

If your president is provided a paramedic at the national convention...you might be an Exchangite.

If you have more jewelry on your nametag than a River Oaks trophy bride...you might be an Exchangite.

If you start each meeting with more pledges than a fraternity house...you might be an Exchangite.

If your wife lets you have a teenage Brazilian girl for a sleepover...you might be an Exchangite.

If at your Wednesday breakfast table there are five financial advisors, two dentists and one computer geek...you might be an Exchangite.

If your members have survived more motorcycle crashes than Evel Knievel...you might be an Exchangite.

If you think it's not geeky for adults to earn merit badges...you might be an Exchangite.

If you're so relieved that one of your members finally got married and that he could still father a child that you threw him a baby shower at a meeting...you might be an Exchangite.
