President's Message

When my year as your president started, I encouraged our club to "Be the Best," and I encouraged our members to be our community's premier leaders in helping others. Well, I've learned this year that you Exchangites just do that naturally; you clearly don't need any exhortations from a President!

This year, I've seen almost every one of you step up in some way. You've volunteered to lead projects or help with initiatives, and each one of you has followed through so that we always seem to meet our goals. The Board of Directors this year has been actively involved all year, and their advice and guidance have been invaluable to me personally.

I want to say a very special "thanks" to **Sue Lockwood**, who has had to put out the newsletter virtually single-handedly many times. Since our newsletter is often the only face of ECSL that the outside world sees, it can make us look good -- or not so much. Obviously, Sue's efforts make us look great!

Soon we're having our banquet to install **Amy Mitchell** as our new President. Please put June 25 on your calendar, and be sure to attend. Next year will be another banner year for our organization. I have no doubt of that, because each year you outdo the last one. That's what makes our club so great, and that's what makes me know that you are the best leaders, in the best club, in the best community. Thanks for all you do each day.

Betty Baitland, President
Exchange Club of Sugar Land

We would all like to thank Betty for leading The Sugar Land Exchange Club through a wonderful, successful year. Thank you Betty for showing us how to **"Be the Best."**
