Exchange Club of Sugar Land member **Congressman Pete Olson** congratulated **Rich Welsh** and **Pete Hyatt** of the **Commemorative Air Force (CAF)** for the preservation of historic military aircraft which will fly at the **Wings Over Houston Airshow** on October 22-23 at Ellington Airport.

Exchangite **Paul Barnett** has worked with **Rich** and of the CAF for many years, recruiting Exchangites to work at the ticket booths at the Airshow. Exchangites are especially needed on Sunday October 23. If you can help, on Saturday or Sunday, please contact **Paul Barnett** at psb1@ix.netcom.com.

Congressman Pete Olson will have the privilege of flying in the passenger seat of The Blue Angels Aircraft 7. Pete was a Naval Aviator deployed in 1992 in the Western Pacific and 1994 in the Persian Gulf.

The Airshow features The **US Navy Blue Angels** who will perform a stunning demonstration of speed and precision. Get ready for **TORA! TORA! TORA!** a reenactment of the attack at Pearl Harbor with fighters, bombers and explosions! This exciting feature commemorates the 75th anniversary of Pearl Harbor. Historic warbirds and modern military aircraft will be on display as well as the new F-35 Lightning II Stealth Fighter. For more information visit their website WingsOverHouston.com.

October is Fire Prevention Month

Fire Marshal Jeff Krehmeier spoke to Exchangites about fire safety. He emphasized the fact that smoke detectors over 10 years old should be replaced with new ones and batteries should be changed twice a year. He thanked Exchange members for helping the Sugar Land Fire Department install smoke detectors.

Citizens' Fire Academy Applications will be open October 1, 2016 thru December 15, 2016. The class will be held beginning in January 2017. <http://www.sugarlandtx.gov/CFA>
